成田亨会サイン
マク・レイト

サイン会福岡・東京どちらも無事に終了しました。

大体140~150人くらいサイン本含めると160~170人分のサインを2週間のうちに描いたことになります。疲れました。でも、たくさんの生の声を聞けてとても楽しかったです。トーナメントから応援してくださっている方、書店で表紙買った方、好きなバンド繋がりの方などいろいろなきっかけで、好きでいてくれる理由や感想があって面白いと思いました。

ちゃんとメタルT着て来てくれた方も5,6人いました！嬉しい！粗品用意してなくてすみませんでした…w
読者の方とメタルの絵が出来るというのはほんとに嬉しいことです。皆様、ライブ会場でお会いしましょう。

また、差し入れやファンレター、ファンアートなどを直にいただくのは初めての経験で、こんなに嬉しいことだとは思いませんでした。
貴重な経験をさせていただきました。

それと、福岡の皆様、緊張で絵がガッチガチになっていてすみませんw
いつかもう一度福岡でイベントして、リベンジしてやろうと思います！次は満員御礼にしたいですね。

これからも頑張ります！また何か面白いことができたらいいなあ。そのときはまた、よろしくおねがいしますね。 手虫

Fought for the Title Character Ranking (My Hunch)

Elise

Noah

1

Impassable Wall
The Protagonist

It impressed me
that the first person
from both Fukuoka
and Tokyo
nominated Elise

As expected, Noah was overwhelming
as tons of both men and women
nominated her. Elise was surprisingly
nominated, although she came out a
little less than Noah. There were tons
of people shooting for a glasses,
tandem, older sister personality, lol

At the signing
event this
time, I realized
it was pretty
hard to draw
Riff in one go

3 Astra

Despite Astra being the
protagonist, there was a huge
gap between him and the two
girls above. Since it's hard to
draw him, I'm glad I don't
have to draw him that much.
lol He was nominated by
both men and women.

Rose

Riff

Riff and Rose's votes were mostly by men
This is likely a matter of preference now

Gor Gor

Arctica

Arctica, the girl who tops the list of
"why were they even nominated?" people!
(She was nominated five or six times) She still
barely speaks, yet... I'm not really used to drawing
her, so it sucked recalling what she looked like, lol

Interestingly, I draw Gor-Gor a ton
in Fukuoka, but almost never in Tokyo!
I think I draw him once as a bonus

Ratio of Men to Women Among the Visitors

Fukuoka [6:4] or so

Tokyo [8:2] or so, I think? (Hunch)

The age range felt pretty vast!

Kyuss had unexpectedly
low votes, which were
probably nominated by girls
with only two people in
Fukuoka and Tokyo combined.
(They both wanted him to be
a shota, lol). Maybe there were
lots of people reading from the
volumes, where he hasn't been released yet?

Kyuss

Memory of the Launch

Young Beef Steak

It was super delicious, but I was already filled to the brim with appetizers, so it was distressing when I felt too stuffed to eat. Please bring me there once I'm on an empty stomach again!

P.S.

I drew this at 3:24 AM, but I already accidentally incited my own appetite this way...

Hi there. Nitori here.

It feels awkward to ask of this here, but we're kind of in a desperate need for extra editing staff (cleaners as well as typesetters) since the series we're working on have somewhat hefty chapters and the current staff we have are losing the will to push on with editing them. (It's My Life is the prime culprit right now.)

It feels bad to keep forcing them to work on series they would rather not work on if they could, so if anybody has copious amounts of free time and wants to help lend a hand with the editing, that would be awesome.

We do offer some beginner tutorials for anyone looking to get their feet wet even though they have zero experience, so you don't have to worry if you've never done this before. All we ask is that you have a lot of free time, the patience to learn, and the willingness to push on with the work even if it's pretty tedious.
